

TAWIZO AGRICULTURE LINK ROAD, SAITUAL

1. Name of Project : Tawizo Link Road
2. Length : 2.00 Kms.
3. Cost of the Project : Rs. 10.00 Lakhs
4. Year of funding : RKVY 2015 – 2016

Brief note of the Project:

More than 90% families of Tawizo village depend their livelihood on Agriculture, The village having suitable agricultural land at Sesih Zau and more than 50% of farmers cultivated their crops like Ginger in this cluster every year. Due to proper road condition farmers of this village face a lot of problems.

Tawizo Link Road

An agriculture Link Road connecting va-awk and Sesih cluster was constructed under RKVY during 2015. With the help of this road farmers of Sesih cluster can lift their agriculture inputs and outputs easily. The opportunity provided by this road gradually change the system of farming of Tawizo farmers from shifting cultivation to permanent farming.
