

Success Stories of Projects Implemented under NADP for the years 2017-18

2017-18:

1. Pollachi APCMS – Coconut Oil Crushing Unit :

Coconut farmers in and around Pollachi are sending their copra to Kangeyam in Tiruppur District which is 81 km away from Pollachi. In order to avoid carrying of produce by farmers to a long distance and to fetch better price for their produce, a coconut oil crushing unit was installed at Pollachi Agricultural Producers Cooperative Marketing Society at a cost of Rs.32.17 lakh under NADP during 2017-18. It has started functioning and the farmers are greatly benefitted by this Oil Crushing Unit.

2. Thiruchengode APCMS :

(i) Electronic Packing Units:

In order to avoid spillage and wastage of processed dhall, the Thiruchengode Cooperative Marketing Society has installed two electronic packing units at a cost of Rs.29.31 lakh and the processed dhall has been packed and sold to consumers.
