

Success Story-2

Name of the beneficiary: Sri Krishnadhan Debbarma, S/O Lt. Jaladhar Debbarma

Name of the scheme by which benefit extended: Popularization on use of aerator in hi-tech fish culture for increasing unit area production.

Name of the G.P/ADC: Dashrath bari Gram Pnachayat

Name of Block : Mohanbhog R.D. Block, Sonamura, Sepahijala Tripura.

Sri Krishnadhan Debbarma is a progressive fish farmer having 5.76 ha water area, in the year 2014-15, through the selection of PRI bodies he was provided with a paddle wheel aerator and training was also imparted on hi-tech fish culture by Department of Fisheries Govt.of Tripura with the financial support of RKVY.

As a result of adoption of Hi-tech fish culture through use of aerator and use of culture inputs viz. quality feed, seed, lime etc. his fish production increased from 7.10 Mt. to 16.66 Mt in the year 2015-16 and earned an amount of Rs. 24.90 lakhs by selling of the fish. The production thus obtained was about 2 times more. .
