

SUCCESS STORY UNDER
Rashtriya Krishi Vikas Yojana-RAFTAAR-2020-21

1	Name of the Component	Incentives for Organic Cultivation of Carrot
2	Beneficiary Name and Address	N. Ramesh S/o Nandhigowder Kerada, Ketti Mobile No: 9786031657
3	Area	1.00 Ha
4	Subsidy Amount	Rs.5000/-
5	Intervention	<p>The farmer has been growing vegetables regularly. He has attended the Organic Farming training imparted by Horticulture Department and has started cultivating Carrot organically. He has also attended the organic classes conducted under ATMA scheme and visited many organic fields in Nilgiris. He has approached this department for gaining knowledge about organic farming. The details were shared and as a result he started cultivating Carrot organically. His field was visited by AHO/ATMA Staff and proper guidance was given. An incentive of Rs.5000/- was extended to him under RKVY Scheme to promote his interest. He had utilized this incentive to purchase Biofertilizers and Biocontrol Agents. He had also purchased Panchakavya and Dasakavya from State Horticulture Farms, Coonoor.</p> <p>As this farmer has successfully cultivated Carrot organically, his field is being visited by many farmers and his neighboring farmers have also started enquiring about the procedures to convert into Organic Cultivation. This successful farmer has been a role model for other farmers available in the surroundings.</p>
7	Remarks	<p>1.Yield obtained is 31.9 t/ha 2. Normal yield –27 to 28 t/ha 3. Additional yield – about 5t/ha</p> <p>The farmer has thanked the Department for providing incentive, which was useful for him to procure organic inputs.</p>
