**Name of the G.P/ADC:** Baghan Gram Pnachayat.

**Name of Block :** Kadamtala R.D Block, North Tripura.

Sri Chittaranjan Malakar is a small fish farmer who has 0.16 ha. water area. In 2017-18, he was selected for R.K.V.Y scheme, “Pisciculture in newly created and reclaimed water bodies in 0.16 Ha. area and fishery inputs in the form of 1640 nos of M/C fingerling, Lime-30 kg, MOC- 50.3 kg, Floating feed- 137.5 kg and Sinking feed- 137.5 kg. was provided for the said scheme. The cost of scheme was Rs.17400/- per 0.16 ha and the culture period was for one year as per the guidelines of RKVY.

As a result of adoption of scientific culture of multiple stocking and multiple harvesting practices, he got a total production of 750 kg fish from the scheme i.e (@ 4687 kg/ha) and earned an amount of Rs.1,12,500/- The production thus obtained accounted two times more profit from a small unit area of 0.16 ha.
