

## **RASHTRIYA KRISHI VIKAS YOJANA (RKVY-RAFTAAR)**

# **2021-22**

**Success Story Submitted By-  
WBCADC Goalpokhar-II Project, Under P&RD Dept.  
Govt. of West Bengal**

---

The Success story of RKVY-RAFTAAR is categorized under agriculture, horticulture, Animal resource development, Fishery & SHG training in the area of WBCADC Goalpokhar-II Project.

There is one saying that,

*“Cultivators of the earth are the most valuable citizens. They are the most vigorous, the most independent, the most virtuous, and they are tied to their country and wedded to its liberty and interests by the most lasting bonds.”*

— Thomas Jefferson

### **Problem of the Area:**

- Farmers of this project areas are Schedule cast, tribal, poor & backward.
- To build up capacity for implementing technology-based production.
- To provide certified seeds.
- Improvement of production environment and restoration of ecological balance through scientific management of land & water.
- To encourage livestock management.
- To provide livelihood support to land less families.
- Increase the production of Food and Nonfood crops and Fodder.
- Encourage the adoption of value addition crops and scientific dry farming techniques instead of the traditional farming system.

This is a special project for sustainable agricultural production from interior backward Area and sloppy rainfed area and bringing more area under two seasonal cultivations. Total 180482 ha area in Islampur sub -division (i.e., Chopra-37840ha, Islampur-36010ha, Goalpokhar-I-35840ha & Karandighi-38584ha), Uttar Dinajpur districts of West Bengal State has been selected under this project considering the need of development of villages.

This project will be implemented under Panchayat & Rural Development Department. The total budget allotted for 2021-22 & onwards in RKVY Scheme including Skilled Development training is amounting Rs.1264975.00 The Scheme has been implemented by this project on Goalpokhar-II block for this period. Maximum farmers & SHGs member of the district villages are covered under RKVY-RAFTAAR programme.

### **Objective / Aims of the project:**

The project was started with the objective to cover agriculture and all allied activities, enhancement of agricultural productivity & production in a sustainable manner.

## Goals and Objectives:

- ☐ CADC has always Comprehensive approach.
- ☐ Agriculture & Horticulture activities are Sectors only.
- ☐ Other sectors like ARD, FISHERY, MGNREGS one part of approach.
- ☐ Skill Development Training on Agriculture and Other allied activities.
- ☐ Setting up horticulture Farm /Progeny Orchard on Govt. Vested barren land/ fallow land/SHG land for producing seeds/Seedlings/ Green fodder/Azolla etc.
- ☐ Intervention in the identified Backward Villages of the district with Argil inputs, training and activities like animal rearing, fishery etc.
- ☐ Formation of SHG'S and arrangement to provide economic activities.
- ☐ CADC fill up critical gap of panchayat bodies and District Administration i.e., where the technical support and assistances required towards upliftment of economic development of the down trodden people.
- ☐ Support to the panchayat and District Administration specially on training programme of SHG's for undertaking the economic activities as CADC is under the P & RD Dept.,Govt. of West Bengal.
- ☐ Implementation of different development activities in consultation with panchayat through SHG's like NRLM model.
- ☐ All staffs/Officers are closely associated with the District Administration and Panchayat Bodies for implementation of the scheme.
- ☐ Finally, CADC is now working as Research Oriented Rural Development Unit of Panchayat Bodies of the concerned District.

## Key Result:

All the farmers and villagers of panchayats are benefited in form of Skilled Development Training, Certified paddy seed, cultivation, productivity of land and Animal resource development, organic vegetation is also increased.

1) Total Skilled Development Training 18 nos were completed under this project by taking 540 nos of SHGs members resulting of women empowerment.

Training taken by SHGs at WBCADC Goalpokhar-II Project training center.

2) The Total 07 nos of Hanging seed bed under RKVY was implemented on different location of Goalpokhar-II block.

Hanging Seed Bed at Jamila Khatun own place. Vill-Belbari

3) The Total 05 nos of Paddy Seedlings Production Scheme under RKVY was implemented on different location of Goalpokhar-II block.

Paddy seedlings Production at Latika Sinha own place, Vill-Sathbati.

4) The Total 10 nos of Hydroponic Fodder Production Scheme under RKVY was implemented on different location of Goalpokhar-II block.

Hydroponic Fodder Production at Sangita Sarkar own place, Vill-Ramkrishnapur.

5) The Total 08 nos of Organic Vegetable Production Scheme under RKVY was implemented on different location of Goalpokhar-II block.

Organic Vegetable Production at Anjana Biswas own place, Vill-Asuragor.

3) The Total 20 MT of certified paddy seed were produced & sale during 2021-22. The total 09 nos. of farmer were involved for production of paddy seed i.e. MTU-7029.

Paddy Seed production, Field visit by Sanjit Mandal (AFA) of our project.

After implements of such Scheme local peoples get good varieties of seeds, quality and quantity of livestock increase resulting better lifestyle and gradually migration may stop.

- Backward and poor tribal farmers and Laboure's can earn their bread at their native.
- Migration for want of wage will be checked and living standard of the inhabitant of this area will be improved.
- Agriculture and fodder production will be increased.

The success of this project easily can be seen on the face of the people.

### **Impact:**

- Agriculture/Horticulture cultivation will be easier and more profitable.
- Integrated farming system facility discuss on skilled development training has created adequate outcome on different sector resulting source income increases of the family.
- Rabi crops can be sown due to increased moisture holding capacity of soil and recharge of ground water table in the wells.
- Cash crops like ginger, turmeric, challis, vegetables and paddy will be introduced.
- Migration for want of employment of labors families will be checked.
- Annual income of inhabitants of the area will be increased.
- Earlier village people migrate to far way places to earn their livelihood. Now with the implementation of these type of scheme they have started cultivating all crops & raised their standard of living.

## **Beneficiary Success story:**

**Beneficiary of Agriculture section:**

**Name of beneficiary: Ashok Kumar Mandal**

**Vill-Talbarikumara, PO-Khikhirtola, Dist:-Utar Dinajpur.**

**Shri Ashok Kumar Mandal** is a progressive farmer. During 2021-22 he had received good quality of foundation seed of paddy under RKVY Seed Multiplication Programme. During field visit and after completion of paddy cultivation, Amal pramanik, AFA of our office staff reported that after getting the benefit under RKVY SMP, his annual income had risen by 450000 (approx.) annually. He also reported that he had received 70kg of good quality foundation seeds of MTU-7029 paddy which had resulted in his annual production rising by 15-16 quintal per bigha. Similarly others of such farmers were benefitted till date.

**Field Visited by Amal Pramanik AFA of our office on land of Ashok Kumar Mandal**

## Beneficiaries of RKVY Skilled Development Training:

### Name of SHGs Group:

1. Rampur Kalpana Anandadhara Mahila Dal, GP-Bidyanandapur
2. Rampur Sonali Anandadhara Mahila Dal, GP- Bidyanandapur
3. Pushpa SGSY Mahila Dal, GP-Bidyanandapur
4. Nujer Anandadhara Mahila Dal, GP-Chakulia
5. Tara Anandadhara Mahila Dal, GP-Chakulia
6. Gochra Anandadhara Mahila Dal, GP-Chakulia
7. Joy Maa Durga Anandadhara Mahila Dal, GP-Toryal
8. PushpaAnandadhara Mahila Dal, GP-Toryal
9. Abhay Anandadhara Mahila Dal, GP-Toryal
10. Sathi Anandadhara Mahila Dal, GP-Toryal

Under RKVY Skilled development training the above mentioned SHGs were given the residential training of 3 days on 1<sup>st</sup> & 2<sup>nd</sup> Batch. After that they were visited on KVK Chopra as exposer visit of one day by taking 60 nos. SHG members. They were lead by Sanjit Mondal & Amal Pramanik, our office AFAs on dated:16.03.2022 & 17.03.2022.All the members of SHG got different vegetable seeds, organic fertilizer, vermicompost, Boiler chicks etc. which gives good feedback from respective family. Similarly, 15-20 nos. of such training conducted every financial year.

One day Exposer visit KVK Chopra Uttar Dinajpur.

**RKVY Skill Dev. Training.**

**On-going Training Programme**

Boiler chicks distribution.

Thank You...
