In So far as RKVY is concerned the requisite information is as under:

2. Launched in 2007-08, Rashtriya Krishi Vikas Yojana(RKVY) aims at achieving and sustaining desired annual growth by ensuring holistic development of Agriculture and allied sectors. It incentivizes the states so as to increase public investment in Agriculture and allied sectors. Under the scheme funds are released to the State Governments on the basis of projects approved in the State Level Sanctioning Committee (SLSC) headed by the Chief Secretary of the concerned State. The scheme provides sufficient flexibility to the States to develop and pursue the agricultural programmes on the basis of their regional priorities. It is for the State Govt. to further implement the scheme in the State. Under the scheme Government of India do not provide funds directly to the farmers. The Department of Agriculture of the State Government concerned headed by Agriculture Production Commissioner/Principal Secretary (Agriculture)/ Secretary (Agriculture) is the Nodal Department under the scheme.
