

## MINPUI AGRICULTURE LINK ROAD, SESAWNG

Name of Project	:	Link road at Minpui
Length	:	2.50 Kms.
Cost of the Project	:	Rs. 12.50 Lakhs
Year of funding	:	RKVY 2013 – 2014

### **Brief note of the Project:**

Minpui cluster of Sesawng is an area with high Agriculture potential with more than 25 hand working farmers. Farmers of this area face many problems in transportation. The only means of transportation was only head load, in such situation most farmers of this cluster could not utilized their land properly.

Acknowledging the needs of the farmers, link road of 2.50 kms was constructed to connect Minpui cluster from Sesawng village under RKVY scheme in the year 2015-16. Their problems being tackled, the farmers could take up large scale cultivation and easily transport their produce to the village.
