

CUSTOM HIRING CENTER (MAIZE)
ST Group of farmers benefitted by 70 % subsidy

The government of Andhra Pradesh has taken initiative and increased the subsidy towards the SC & ST from 50 to 70% from the year 2014-15, to enable the SC and ST category farmers to capture the incentives given towards mechanization.

All the central schemes are giving 50% towards the subsidy of SC & ST farmers. In view of giving uniform subsidy to the SC & ST farmers in all the schemes and to encourage them to take up mechanization, the difference amount of 20 % subsidy is met by the state Government.

After the increase in subsidy, the SC & ST farmers are taking initiative and demand is created from the SC & ST farmers for acquiring the Farm machinery under subsidy schemes.
