संयुक्त निदेशक कृषि (आर.के.वी.आई.)

- e) GoI had earlier vide letter No.6-8/2013-CU-I dated 25-11-2013 given approval for on-going cluster demonstrations on nutri-rich wheat varieties during Rabi 2013-14 to utilise the available funds under sub-scheme on Nutri-farms under RKVY subject to the approval of state SLSC of RKVY. SLSC noted the same and accorded ex-post-facto approval.

4. Before discussion on Agenda Item 4, SLSC was informed that Guidelines of the RKVY have been revised w.e.f. 1st April 2014. Joint Secretary (RKVY), DAC GoI, Sh. Narendra Bhooshan mentioned following salient features of the new guidelines.

- (i) Sanction of the projects for the year 2014-15 should be given as per revised guideline of RKVY 2014.
- (ii) Pattern of Assistance, as specified in existing CSS will be applicable to the Projects. In case of no cost norms and Pattern of Assistance being available in existing CSS schemes and cost norms and pattern of assistance being available in some State Scheme, cost norms and pattern of assistance would be as per State scheme.
- (iii) The extent of financial assistance in projects where there is no specified pattern of assistance is prescribed under existing CSS/State schemes, would be 25% of the Project Cost under RKVY.
- (iv) Cost Norms for approved projects would be similar to cost norms of existing schemes of Govt. of India / State Govt. In case, no cost norms are available than SLSC can take a conscious decision on the proposed cost norms based on local parameters.
- (v) Technical Requirements/Standards specified in various Central Government Schemes will be applicable to these Projects.
- (vi) While implementing approved projects, implementing agency may ensure that there should not be any duplication of funds with the activities of any other scheme.
- (vii) No project can be sanctioned which falls in the category of the Negative List prescribed in appendix- D of RKVY Guidelines.

Joint Secretary (RKVY), DAC GOI further observed that, approval of funds for on-going projects where liabilities have been incurred before 31st March 2014 and those works for Infrastructure Development which have begun before 31st March 2014 and additional funds are required for completing those works, can be sanctioned as per cost norms prevailing during the year 2013-14.

However, all other on-going projects would be considered under framework of revised guidelines of RKVY. Accordingly SLSC can consider approval of on-going projects.

Similarly, in case of projects of Infrastructure Development on lands owned by the State Govt./ Agencies of State Government, DAC, GOI is considering 100 % assistance to be

On other issues Joint Secretary, RKVY, present in the meeting, had already clarified as mentioned in para No. 4 of the minutes. The copies of letters are enclosed at **Annexure-VI**.

13. Table Agenda: With the permission of the Chair , 7 table agenda items were discussed by the SLSC. The details of the table agenda items are available at **Annexure VII**. The committee discussed the agenda and during discussions, the Joint Secretary (RKVY) , DAC, Govt of India observed that the agendas would require general examination by various divisions of DAC. However, SLSC may consider these agendas for approval, subject to any observation of DAC. The SLSC approved the table agendas as per revised guidelines of RKVY. In case of receipt of

any observation on the table agendas, the file may be submitted for appropriate decision on the observations to the Chairman, SLSC.

14. During the meeting following general observations were made:

- i. Before implementing the new projects approved under RKVY each implementing agency will insure that the project fulfils all the conditions prescribed in the new Operational Guidelines of RKVY 2014.
- ii. As per the Operational Guidelines of RKVY for 12th FYP, the implementing department/agency should first explore the funds available under the new missions and other CSS schemes of GOI. For any additional requirement, proposals can be given to Nodal Agency under RKVY.
- iii. Joint Secretary, RKVY mentioned that, implementing Department/Agency should provide component wise details of on-going as well as new projects to concerned division of DAC, GOI.
- iv. Joint Secretary, RKVY also mentioned that, all the approved projects (On-going, & new and Sub-Schemes of RKVY) should be entered into RDMIS by the Nodal Department so that installments of RKVY could be released timely.

The meeting ended with a vote of thanks to the Chair.

Sub: - Clarification on RKVY Operational Guidelines for 12th Five Year Plan

Sir,

I am directed to refer to your letter No: F7 294) CSS/RKVY/SLSC/2014-15/456 dated 13.07.2014 regarding clarification on RKVY Operational Guidelines for 12th Five Year Plan and to convey the clarifications ad-seriatim as under:-

1. **Research Project:** The recurring expenditure related to technical manpower in case of research projects (such as RA/SRF/JRF and Skilled and Semi Skilled labour used in research trails/labs) may be treated as a part of the projects and hence outsourcing cost related to them can be treated as part of the project cost itself and the same may not be accounted as expenditure on administrative matters or administrative cost. It is also clarified that expenses towards other manpower used for Office/Administrative purposes will have to be covered within 1% administrative expenses.

2. **Allowing topping up subsidy under ongoing projects:** The ongoing projects sanctioned under previous Guidelines and expenditure met as per previous Guidelines cannot be treated as projects sanctioned under the revised Guidelines. Infact, this needs no clarification. The State Government is free to make payments of pending liability as per SLSC sanctions subject to compliance of extant RKVY Operational Guidelines. It is also clarified that for all projects implemented during

(श्री. भूपलाल यादव)
सहाय निदेशक कृषि (आय. के. विभाग)

the current year (2014-15), the new/revised RKVY Guidelines only will be applicable from prospective effect.

3. In regard to the ongoing projects that were approved by the SLSC in the previous years (e.g. construction of godowns for KVSS, GSS, RSAMB etc.) Clarification will be conveyed in due course.

4. In case of activities related to agriculture extension such as ATMA infrastructure (for which the cost norms and pattern of assistance are not readily available with the Government of Rajasthan) which involves all Technical Research Centres/Kisan Cell Centres and these are treated as departmental activities, in these cases 100% Grant will be allowed to implement such departmental activities under infrastructure projects.

Corrigendum:

Sub: - Clarification on RKVY Operational Guidelines for 12th Five Year Plan

Sir,

Kindly refer to this office letter of even number dated 09.07.2014 on above mentioned subject. Para 4 of the aforesaid letter regarding Agricultural Extension may be read as:

4.0 Funding patterns for various infrastructure and recurring activities are available under this Department's Sub Mission on Agricultural Extension (SMAM) under the National Mission on Agricultural Extension and Technology (NMAE&T). Funding pattern under SMAM ranges from 100% for Kisan Call Centres, 90% for most old components under ATMA and 75% for new components. However, State ought to use funds under SMAM before taking recourse to funding from RKVY. In any case, funding from RKVY shall have to adhere to aforesaid norms/pattern of assistance of SMAM.

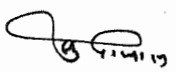

Receipt of this letter may please be acknowledged.
