**Subject: Delay in updation of web based RKVY-MIS by  
States-regarding**

Sir/ Madam,

It has been observed that some States are not uploading project entries regularly on RKVY-MIS portal despite several rounds of trainings conducted by this Department in the past years. A list of **defaulting States** not updating RKVY-MIS entries regularly is **enclosed herewith**.

It may be noted that as per para 11(a) of RKVY-RAFTAAR guidelines, States shall be responsible for timely submission/ updating project data entry online in the RKVY-MIS regularly which has been designed to provide current and authenticated data on outputs, outcome and contribution of RKVY-RAFTAAR projects in the public domain. An updated MIS is essential for transparency and accountability as part of the scheme.

It may be further noted that as per para 8 of RKVY guidelines, entries of physical and financial progress on utilization of funds released to States in RDMIS is a mandatory. Irregular/ non- entries in the MIS may lead to non-release of funds to the States in the coming financial years.

You are therefore again requested to enter and update all pending entries of pervious years and current year on RKVY-MIS portal immediately failing which no funds will be released to defaulting State under RKVY-RAFTAAR in the next year 2020-21.

Yours faithfully,

Encl: **List of defaulting States**
